Questions for the Adolescent/Young Adult

Social and Emotional Development

- What do you like to do for fun? Do you have a lot of friends or a few close friends?
- What goals are you pursuing? Do you feel you'll accomplish what you would like to do?
- What do you do when you feel really down/depressed? Have you ever thought about hurting or killing yourself?
- Have you ever been in trouble at school, at work, or with the law?

Physical Development and Health Habits

- How do you feel about the way you look?
- Are your periods regular?
- Do you ever fast, vomit, or take laxatives or diet pills to control your weight?
- What kind of physical activities do you participate in?
- Do you work? How many hours per week?
- How often do you smoke cigarettes or chew tobacco?
- How often did you drink alcohol or use drugs in the past month? Which drugs? What's the most you've had to drink at one time?
- How often do you wear a safety belt in the car?
- Are you aware that this is a high-risk time for being in an auto crash? What are you doing to reduce your risk?
- Do you ever drink and drive? Ever been in a car when the driver was drinking or using drugs?
- Do you own a gun or have access to one?
- Have you ever been threatened with violence? Ever been a victim of violence?

Relationships and Sexuality

- Are you dating anyone now? Are you happy with the relationship?
- Have you ever had sex? Are you having sex now? With men, women, or both?
- Do you use condoms? How often?
- Have you ever been pregnant, or responsible for someone becoming pregnant?
- Has anyone ever touched you in a way you didn't like? Forced you to have sex?
- Have you had any sexually transmitted diseases (STDs)? Ever had sexual contact with someone with an STD?
Family Functioning
- How do you get along with family members?
- How are you dealing with living away from home or preparing to do so?

School/Vocational Performance
- Are you attending school? Working?
- What are your career goals and how will you achieve them?

Questions for Parent(s) if Accompanying the Adolescent
- What questions or concerns do you have today? (E.g., weight gain/loss, substance use, physical complaints, depression, friendships, sexual activity.)
- Have you discussed your concerns with Todd?
- How do you think Fran’s living away will affect things at home? Is she prepared to live away?
- What plans have you made for Fran’s health insurance coverage?

Exam and Screening
Exam: Measure and plot height, weight, and BMI-for-age on CDC growth chart. Note Sexual Maturity Rating; possible neglect/abuse; eating disorders; sports injuries, orthopedic problems; teeth; acne; tattoos, piercing; excessive body hair.

Females: Teach breast self-exam; encourage monthly self-exam at home. Examine genitals; check for condyloma/lesions, vulvovaginitis. If amenorrhea or menstrual complaints, perform pelvic exam. (Offer pelvic exam as routine preventive care).

Screening: Vision and hearing (age 18), blood pressure annually, anemia annually (menstruating females); urinalysis at least once in adolescence. Assess emotional health (risk factors: stressors, substance use, sexual behavior, depression, history of abuse, learning disabilities, school problems, cruelty).

Risk: Assess risk of anemia, hyperlipidemia; screen as needed. Assess tuberculosis risk; give PPD as indicated.

If sexually active: Annual pelvic exam and Pap smear (females), STD screening (see p. 57).

Immunizations: See schedule, pp. 51–53. Discuss possible side effects, what to do, when to call.
Promotion of Healthy and Safe Habits
• Keep home and car smoke-free
• Try to get 8 hours of sleep a night
• Engage in physical activity (30–60 minutes 3 or more times a week)
